Product Benefits

Constipation is the most common gastrointestinal complaint in the United States. An estimated 42 million individuals have bowel issues or constipation.² The docusate sodium **DocuSol**® mini-enema has been used by patients and healthcare facilities for over 15 years.

- **Fast, predictable results typically in 2-15 minutes.**¹
- Flexible tip for ease of use at home.
- Non-irritating formula.
- Easy rectal usage for patients with reflux issues or nausea.
- Affordably priced, conveniently packaged in 5 count box.
- **DocuSol**® is covered in approximately 78% of the United States by Medicaid.
- Many private insurance plans cover the cost of **DocuSol**®. Individuals should contact their insurance provider to verify that **DocuSol**® is covered on their plan.

Medicaid Coverage

DocuSol® is covered in 78% of the United States by Medicaid, requiring little to no out of pocket cost to the patient.

Private Insurance

Many private insurance plans cover the cost of **DocuSol®**. We recommend that individuals contact their insurance companies and inquire if **DocuSol®** is on their formulary plans. If it is not, request the prior authorization form, which should be completed and submitted to the insurance company by the prescribing physician.

Group Purchasing Organizations

DocuSol® is contracted with most major Group Purchasing Organizations.
